

**Compassionate
Communities UK**

Our new programme

“The town that cured loneliness”

Learn how Frome in Somerset became
the town that cured loneliness and
transformed health and care

Starts 30th January
12.00 GMT

A series of 8 webinars

Book via:

<https://compassionate-communitiesuk.com/our-events/>

The town that cured loneliness – content

- The basics, what are we talking about?
- Biology of compassion
- What matters most? Circles of care and the role of groups
- Compassionate communities and community development – power relationships
- Changes in primary care – the hub model, education for all
- Community connectors and resource directories
- Tying it all together, systems thinking, reliability, measurement, quality improvement methodology
- Community of practice

The course will be delivered by Dr Julian Abel and Dr Frances da Cunha, who runs the West Mendip part of the Frome Model and has been using the Frome Model for 6 years now.
